

Wearing a Mask

Information for Wearing a Mask

- Prior to wearing your mask (all types of masks), wash your hands
- Ensure masks are secured by loops over the ears
- Ensure the mask fits snug but comfortably against the side of the face
- Where possible, ensure mask is fitted/sealed around the nose
- Allow for breathing without restriction

- Prior to removing your mask, wash your hands
- Be careful to *not* touch your eyes, nose and mouth while wearing/removing your mask
- After removing your mask, wash your hands
- Dispose your mask in a waste container

Masks secured by means other than loops over the ears are prohibited
