

VIA Rail Canada – Procedure Crisis Management Plan / Pandemic - 01
APPENDIX B – Employee Return to Work Checklist

Questionnaire for Health Check

The following questionnaire is intended to be used when an Employee is returning from Self-Isolation or Quarantine related to COVID-19:

1. Have you been in close contact¹ with someone that is displaying signs & symptoms, that has returned from international travel or that has tested positive or is waiting for test results for COVID-19 in the last 14 days? **If YES, you must remain in self-isolation and follow the [Self-Isolation](#) and/or [Employees with a Confirmed or Probable Case of Infection to COVID-19](#) procedures.**
2. Has 14 days passed since the onset of your symptoms? **If NO, you must remain in self-isolation and follow the [Self-Isolation](#) and/or [Employees with a Confirmed or Probable Case of Infection to COVID-19](#) procedures.**
3. Have you been symptom free for at least 48 hours? **If NO, you must remain in self-isolation and follow the [Self-Isolation](#) and/or [Employees with a Confirmed or Probable Case of Infection to COVID-19](#) procedures.**

ACKNOWLEDGEMENT

I confirm that the above information is accurate and true:
